

The BCWRT conducts tours of interesting Civil War sites, some as close as Brunswick County, others throughout the state that take a full day to visit, while still more are overnight trips. The tours are based on membership suggestions, as well as critical mass to hire the transportation, guides, etc.

First Tour of the Season is Fort Anderson. It is a sellout.

Chris Fonvielle will be leading a tour of this important fort that has a history from the Revolutionary War.

Tour is on Saturday, October 8, 2022. Tour starts at 10 am.

More details are coming in the September *Call to Arms*, BCWRT's newsletter.
